

DEAFMETAL®

DEAFMETAL® inspires earlier intervention, and the regular use of hearing devices. DEAFMETAL® jewellery transform clinical-looking hearing devices into appealing personalised jewellery items, with designs created for all ages, genders and lifestyles. The inherent safety features also keep hearing devices securely attached to the ears, solving a big challenge for many device users.

Rolo Safety Necklace is a long safety chain necklace with clasps that attach to DEAFMETAL® Holsters on each end. A Safety Necklace can be twisted around your neck, and worn with a specially designed adjustable Safety Pin Hook (sold separately).

Coil Hat Collection

The Velcro is integrated into the inside of the Hat, and 3 pieces of counterparts included per order. The shape of the Velcro that needs to be attached to the coil depends on the surface of the coil. The rectangular one fits, for example, the Cochlear™ Nucleus® 5 and 6, and the round one, the Nucleus® 7 & 8.

Safety Chain Collection

The Safety Chain Collection (SCC) allows you to reinvent your favorite earrings by turning them into unique pieces of hearing aid jewellery. Safety chains are easily attached to the back of your earrings, and keep your hearing aids safe from falling or getting lost. The collection includes silver and gold-plated silver chains, in a variety of lengths and styles.
